A considered approach to your project

Introduction

This proposal sets out the supplied project brief for review. Confirm the scope, delivery schedule, and commercial terms before accepting the proposal.

Project brief

Create a catalogue website with a contact form and a clear overview of the company services.

Acceptance and next steps

Review the project brief and investment below. Confirm the final deliverables, timeline, payment schedule, and any exclusions with both parties before work begins.

Investment and payment terms

LKR 120,000.00

To be agreed before acceptance.
